

Mock Insurance Claim Document

Claim Number: 2023-HB987654

Policyholder: XYZ Logistics, LLC

Policy Number: TR123789

Claim Date: 07/15/2023

Incident Date: 07/12/2023

Report Date: 07/13/2023

Incident Details:

XYZ Logistics reported a theft incident at their warehouse located at 789 Cargo Road, Metroville. On the night of July 12th, 2023, security cameras captured footage of unauthorized individuals breaking into the warehouse and stealing electronic goods.

Damages:

- Approximately \$350,000 worth of electronic goods were stolen.
- The warehouse's main entrance door was damaged during the break-in.
- Security system needs urgent upgrades following the incident.

Claim Submission:

XYZ Logistics submitted the claim on July 13th, 2023, requesting immediate attention due to the significant value of the stolen goods and the impact on their business operations.

Investigation:

A security expert and a loss adjuster were scheduled to visit the site on July 15th, 2023, for a detailed assessment. The police investigation is also ongoing, with evidence being collected from the scene.

Estimated Loss:

The preliminary estimate of the total loss is around \$400,000, including the value of the stolen goods and the repair costs for the damages.

Additional Notes:

- XYZ Logistics has been a policyholder since 2018 with no previous claims.
- The policy includes coverage for theft and property damage.
- An upgrade to the security system is recommended to prevent future incidents.
